

Name	Susan Lishman
Category of governor	Staff
Term of office	To January 2027
Business / work	I started my career at St Johns as a Teaching Assistant and now work full time as Family Support Worker (FSW). This role is both challenging and rewarding, however, it gives me the opportunity to work with both children and their parents, so I get the best of both worlds!
Governance experience	I have been a staff Governor for the last 14 years. I am also chair of the Premises sub-committee and have a responsibility for safeguarding both within my role as FSW and as a Governor.
Hobbies and interests	I am married and have two grown up children and a grandchild. Throughout both of my children's time in primary school, I regularly volunteered to help in their classrooms and on school outings. I enjoyed this so much I trained as a Teaching Assistant.
Links to the school/area	I am proud to say that I have worked at St John's Primary School for 22 years
Why did you become a governor?	It is a privilege to serve as a Governor at a school, which not only cares about the academic achievements of children but also the wellbeing of children and their families.
