

Science

States of matter and Sound
Properties of solids, liquids and gases
Compare and group materials
Recognise how materials change state when heated or cooled
Understand the water cycle including the words evaporation and condensation.

English

T4W a traditional style tale
Listen to and recognise common themes in traditional tales
Increase our working knowledge of vocabulary common to traditional tales

Music

Charanga
- soul and gospel songs

Art/ Design technology

Geometric shapes and Middle Eastern/ Islamic art. Inc. calligraphy

Religion

Islam

Maths

Geometric shapes

PSHCE

Looking at messages within traditional stories.

PE

Real PE scheme

Computing

Word processing
Geometric shape art

History

Begin to think about what traditional stories might tell us about the past.

Geography

Describe and understand aspects of physical geography like climate zones and the water cycle.
Describe and understand aspects of human geography like the distribution of natural resources like water

Traditional tales: the King's Fountain.
By Lloyd Alexander
